

*Leading in Milk Testing*

## **LABORATORY TECHNICIAN**

SAITL Dairy Laboratory performs a range of chemical and microbiological testing for the dairy industry.

We are currently seeking a **Laboratory Technician** to carry out routine and some specialised testing within the laboratory.

This is a full-time permanent position working on a four on, two off roster including public holidays. Applicants with qualifications and experience in a science and/or laboratory related field would be advantageous, although this is not mandatory.

You will also be friendly, positive, a team player and work within our Core Values.

To obtain a Position Description or lodge an application please contact Nicky Donald, Office Administrator via phone on 07) 849 6010 or by e-mail [nicky@saitl.co.nz](mailto:nicky@saitl.co.nz).

Applications for this position close at 5.00pm on Wednesday 7 July 2010. Applicants must be eligible to work in New Zealand to be considered for this role.
